[Charlotte Safety Training](#)
11677 Coddington Ridge Drive
Charlotte, NC 28214

Class Information and Policies

- Please disclose any health conditions below (Asthma, food allergies, etc), as we do serve snacks at camp. If your child has a food allergy, please notify CST on this form, and also remind the instructor the first day of camp. All medications for any condition MUST be given to the instructor prior to the start of camp each day (this does not apply for swim lessons). There will be a Lifeguard on Duty during Swim Camps. Instructors are also certified in CPR and First Aid. Please let the camp Instructor know if there is anything that they should be aware of pertaining to your child in and around water or sun.
- We reserve the right to cancel camps/lessons, or, adjust camp/ lesson times based on enrollment. We will make every effort to notify you of any changes prior to the first day on camp.
- If your child is 5-6 years old and you are enrolling in camp, please call us first so we can go over some specifics of what to expect at camp. We want the experience to be GREAT for you and your child!
- We do encourage parents and family observation, but please keep a good distance from the pool and do not interfere with the class or camp. Please approach the instructor with questions or comments before or after your lesson/ camp.
- Please attempt to solve any issues (attendance, make-ups, etc.) with your instructor first. If you need any additional assistance, please feel free to contact Brian Coffey (CST President) by phone (704 281-4986) or email – coachbrian76@gmail.com.
- CST rents pool space at the CCS Swim & Tennis center, YWCA Central Carolinas, and all other pools we use. The classes are offered through Charlotte Safety Training. **Please call CST for questions or concerns about the class or to register for a class.**
