

Charlotte Safety Training
is an authorized provider of American
Red Cross Health & Safety Classes.

Goal

To provide trusted, affordable, and accessible safety training, so people may react quickly and effectively in the event of an emergency.

Services & Classes

We offer a large variety of classes, most of which can be taught on your current work site. The only exception is American Red Cross Lifeguarding and American Red Cross Water Safety Instructor classes. Classes offered:

- Adult/ Child CPR
- Adult/ Child CPR with AED
- Infant CPR
- First-Aid
- Blood Borne Pathogens Training
- CPR for the Professional Rescuer
- Lifeguard Training
- Guard Start (Jr. Lifeguarding Program)
- Lifeguard Instructor Training
- Water Safety Instructor Training
- Safety Training for Swim Coaches
- Pet First Aid & CPR
- ARC Learn-to-Swim Camps
- Swim Program Consulting
- CPR & First Aid Instructor
- Home Pool Safety

Charlotte Safety Training will provide all class supplies needed for certification. Most certifications last one year, with the exception of Lifeguarding/ First-Aid (3 years).

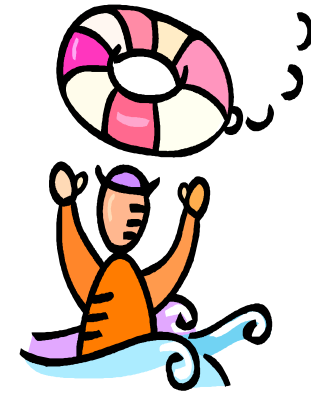

Types of Clients we service:

- Pool Management : we may provide Lifeguard training classes, safety audits, and assist with a Learn-to-Swim program and all of the training required to accommodate such a program.
- Construction/ Industrial/Medical Offices/ Day Care/ Schools/ Retail Business/ Churches/ Hotels, etc.: we may provide ON SITE CPR, First-Aid, and A.E.D. training to employees, so they may be better equipped to deal with an emergency at work.
- U.S.S. registered swim teams: we may provide the annual CPR training in addition to the Safety Training for Swim Coaches class (3 year certification).
- Anyone who wants to make a difference!

Benefits of Training your staff with CST:

- CST will keep track of your certifications, and automatically notify your safety liaison when you are due for a re-certification class.
- Professional, Red Cross certified Instructor(s), teaching Red Cross courses that meet OSHA standards.
- Free review for CPR/PR & Lifeguarding participants during the life of their certifications.
- On site training for most classes (excludes Aquatics courses).
- Custom Safety Program based on your company needs.
- Discounted recertification classes for Lifeguard/ CPR-PR participants.
- All participants receive class materials for reference.

Charlotte Safety Training

We offer company "preferred" rates Based on enrollment and frequency of training. CST will set up a program based on the needs of your company. CPR/ AED & FIRST AID CLASSES meet OSHA requirements.
